

# — Ownership is foundational

It's not what you dream about.  
It's what you own.

It's not what you hope for.  
It's what you own.

It's not what you know.  
It's what you own.

It's not what you talk about.  
It's what you own.

It's not about your intuition.  
It's what you own.

It's not what you write about.  
It's what you own.

It's not about what you want.  
It's what you own.

It's not what you think about.  
It's what you own.

It's not what you meditate on.  
It's what you own.

It's not what you feel.  
It's what you own.

It's not what you post.  
It's what you own.

It's not what you get excited about.  
It's what you own.

It's not what you learn.  
It's what you own.

It's not what you believe.  
It's what you own.

**It's what you own that matters.**
