

# — Straight-Line

Straight-Line is creating.

It's sourcing.

It's bringing into existence.

It's not waiting, wishing, wanting, hoping, chattering about, thinking about, chasing, seeking, etc.

It's not seek and find.

It's create and have.

It's active engagement.

Dusan Djukich

— INNER  
STANCE.

**Start getting results  
today for tomorrow.**
