

— Mean words and other things

**If you won't deal with other's broken agreements,
you'll never live a potent life.**

**If you won't deal with other's mean words,
you'll never live a peaceful life.**

**If you won't deal with other's unworkable actions,
you'll never live a useful life.**

**If you won't deal with your own weak behaviors,
you'll never live a dignified life.**

**If you won't distinguish feelings from facts,
you will never live a sane life.**

**If you won't "sincerely" say yes or no,
you'll never live an honest life.**

**If you keep calling a lie, a commitment,
you will have no life.**

Keep in mind, if you keep playing loose with the
truth, you will keep desperately seeking the next
new distraction.

Distinguish:

Can't = impossible

Won't = intentional

Two. Different. Worlds.
