## Honor your ancestors:

Be driven.

Be effective.

Be that which matters.

Be that which owns.

Be that which moves.

Be that which thrives.

Be that which does not constantly seek.

Be that which does not grovel for acceptance.

Be that which does not hold back.

Be that which is FOR Self.

Be that which is FOR others.

Be that which connects the dots.

Be that which does not have to be dragged.

Be that which holds frame.

Be that which does not bow to case.

Be that which deals with what's in front of you.

Be that which does not require encouragement.

Be that which sees what others do not.

Be that who does not need to explain.

Be that which endures.

Be that which penetrates.

Be that which wins.

Be that without excuses.

Be that which is enough.

Be industrious.

Be unfuckablewith.

Be gracious.

Be generous.

Be appropriate.

Be the one.
